

Your health, Our priority

Located on the Place Communale in Auderghem, our center brings together a team of general practitioners, a psychologist and a sampling center.

Whether you need regular medical check-ups, a precise diagnosis or advice on how to maintain your health, we're here to help.

Our consultations are in French and English by appointment only.

Our team

General medicine

Our team is made up of two doctors, on hand from Monday to Friday. Consultations are available in French and English, as well as Mandarin and Polish.

Psychology

Our psychologist specialises in working with adolescents, adults, couples and families dealing with psychological trauma, cultural issues, or marital or family difficulties. She can talk to you in French, English, Spanish and Japanese.

Other specialities

Our team continues to grow. Visit <https://www.med-consult.be/notre-equipe> for more information.
